OL SEKI MARA

SPA BROCHURE

A man is seen from behind, sitting in a swimming pool. He is looking out over a vast savanna landscape with scattered trees and a cloudy sky. The pool's edge is visible, and a pair of sunglasses rests on it. The water in the pool is clear and blue, reflecting the light.

Hemingways Ol Seki M Spa

Set beneath the shade of a sacred fig tree, known as the Fig Tree Spa, Hemingways Ol Seki Spa offers a peaceful and grounding retreat in the heart of the Mara.

This ancient tree, symbolising prosperity, health, and good fortune, provides the natural setting for all our open-air massage treatments.

Whether you've just arrived, or are unwinding after a day on safari, our therapies are designed to restore balance, ease tension, and connect you with nature.
